COOPER'S CAUSE PROVIDES ASSISTANCE TO 2 FAMILIES

In January, Cooper's Cause Foundation provided funding to 2 families in need. We were able to meet both families financial obligations as they applied for plus some. We are all very excited and overjoyed to have been able to help these families. As we continue to raise money, volunteer and support the foundation, know that we are making an very BIG impact on the lives of many. Thank you to the Love and Herd Family for allowing us to "pay it forward".

Helping pediatric heart patients and their families focus on what's important.

Sometimes life's most difficult challenges inspire us to achieve great things. That's the spirit fueling Cooper's Cause Foundation, a non-profit organization dedicated to paying forward Cooper William Keefer's blessing by supporting families as they face the strain of unexpected medical expenses related to pediatric heart conditions. Together, we can impact these little fighters' lives and realize the true power of their innocent smiles.
